## HOUSEHOLD PLACEMENT AGREEMENT

This Agreement is entered by and between Canine Support Teams ("CST"), a non-profit organization providing service dogs to veterans, and the undersigned client ("Client") and Household Members ("Household Member").

The Client and all Household members understand and agrees that the service dog placement is intended to be permanent. This commitment includes a lifelong partnership between the Client and the service dog, with the expectation that the service dog will reside in the Client's home as a full-time member of the household.

All members of the Client's household are required to agree to and support the presence of the service dog in the home. This includes, but is not limited to, family members, roommates, and other individuals residing in the same household.

All household members shall:

- a. Treat the service dog with kindness, respect, and consideration.
- b. Refrain from any actions that may harm, distress, or compromise the well-being of the service dog.
- c. Allow the service dog access to all areas of the home that the client accesses and provide necessary accommodation for its well-being.
- d. Participate in training sessions and follow guidelines provided by CST to maintain the service dog's skills and behavior.

The Client and household members agree to provide for the physical, emotional, and medical needs of the service dog, including but not limited to regular veterinary care, appropriate nutrition, exercise, and grooming.

The Client agrees to maintain open communication with CST regarding the well-being, behavior, and any changes in the living situation that may impact the service dog's placement.

This Agreement may be terminated by either party with written notice if there is a breach of the terms outlined herein. CST reserves the right to repossess the service dog if it is determined, in CST's sole discretion, that the placement is not in the best interest of the service dog or the Client.

By signing below, the Client and household members acknowledge that they have read, understood, and agree to abide by the terms of this Service Dog Placement Agreement, including the commitment to having the service dog in the home permanently.
